

Your Parish Council needs

YOU

If you live in the Parish

If you have good ideas

If you wish to serve your community

If you think you couldn't be worse than the current lot!

**In May this year there will be elections and
we need more councillors**

To find out more about what is involved and how to become a candidate, you are invited to attend the Parish Council meeting on March 13th at 7 p.m. in the Arreton Community Centre.

There will be time for questions at the start of the meeting. In addition there will be time at the end of the meeting, if that is more convenient for you. Meetings normally end between 8.30 and 9.

If you are unable to attend the meeting, more information can be found on the Isle of Wight Council web-site. Make sure you look at the Town & Parish, not the County Councillor section, there are differences.
