**Present:** Cllrs Thirkettle, Cooper, Hayden, Kimber and Orchard

In attendance: Sheila Caws (Clerk)

**097/18 Apologies for Absence**

Apologies were received from Cllr Calloway (on holiday), Cllr Dovey (working) and IWC Cllr Mosdell (on holiday)

**098/18 Questions from the public**

There were no questions

**099/18 To receive and confirm the minutes of the previous meeting (9<sup>th</sup> May)**

The minutes of the meeting held on May 9<sup>th</sup> were confirmed and signed – proposed Cllr Hayden, seconded Cllr Kimber.

**100/18 To receive regular reports**

- (a) IWC Councillor – in the absence of IWC Cllr Mosdell there was no report.
- (b) Cemetery and Churchyard matters – Cllr Orchard reported that the grass in the Churchyard was cut in the week before the meeting and in the Cemetery prior to that. He requested that nettles in the rubbish compound at the Cemetery be strimmed and the plywood that is still there be removed. The drain in the layby is still blocked.
- (c) Highways and footpaths – The entrance to path A31 is still overgrown and the path remains ploughed out. Path 5b has not been reinstated either.  
The sign at the junction of A34 and A36 is incorrect, as is the one for A36 in Blackwater, near Naturezone.  
IWC Cllr Mosdell will be asked to enquire about the traffic lights at Downend again.  
The quartering of the footpaths on the main road in Arreton needs doing again but the Clerk will not chase this until after the July meeting.
- (d) IWALC/Chairman's report – the Chairman reported that John Brownscombe, the Community-led Housing Officer for the Community Action IW, had given a presentation on the Community-led Housing Scheme. Money was available from the Government for planning and to buy land. The scheme would only allow for 25 properties to be built on the Island and so it was not the answer to the housing shortage.  
Minutes and other paperwork will be posted to members whose councils are not members of IWALC.  
The Chairman intends to attend a training session on the new Data Protection Regulations next week.  
The Chairman attended an anti-fracking meeting at the Community Hall on Saturday.
- (e) Clerk's report – **Agenda and Minutes Record:** the Clerk received a reply from Graham Filer to say that the outstanding works at Gore Cemetery would be in hand by the end of June.  
The Clerk contacted the District Steward at Island Roads regarding various matters and received a reply to say that he would investigate. The grass at the bus stop on Down End Road appears to have been cut but nothing else has been heard about the other requests. Island Roads were also contacted about the drain at the Cemetery and this now appears to be clear.  
The Clerk wrote to Brighstone Landscaping to ask them to remove the plywood at the Cemetery.

The notice of a request for an election to fill the casual vacancy has been placed in the *County Press*, on the website and on the notice boards. The closing date is June 21<sup>st</sup> and the IW Council will inform us after that if an election is required.

The Battle of Britain Historical Association and the Rights of Way department are in direct contact regarding a proposed site for a memorial stone.

**Other matters:** a new book of forms for the Grant of Exclusive Right of Burial has been purchased from Shaw and Sons Ltd at the request of the Burial Registrar.

The Clerk has contacted the Police regarding two cars that have been parked at Merstone for some time as neither has been abandoned as the vehicle tax was up-to-date. Apparently, one belongs to a local resident and the other to a car trader.

**Training:** The Clerk attended a session on various financial matters including the new audit regulations, transparency and internal controls.

**110/18 Table top tombs**

Having been informed by the Vicar that the Parish Council should apply for a faculty, the Clerk contacted the Diocesan office to enquire and received a reply to say that the Parochial Church Council should make the application. It was agreed that the Clerk should contact the Vicar again, emphasising the safety aspect of the work.

**111/18 Grounds maintenance**

In the absence of Cllr Calloway, it was agreed to defer this item to the next meeting.

**112/18 Bus hardstanding**

Southern Vectis have no objection to replacing the existing bus stop with a hardstanding. The Clerk contacted Island Roads, who said that the request could be placed on the Network Integrity Register and the work would cost in the region of £3,500.00. It was agreed to produce a flyer for residents in the area to see how much use it would get.

**113/18 IW Literary Festival Schools' Programme**

The Clerk has been contacted by the organiser of the programme, which is centred around storytelling. Arreton Primary School have applied to take part in the programme but require funding. The cost is £610.00 to cover workshops, staff training and costs. After some discussion, it was agreed that this was quite a substantial amount from our budget and, as only about 25% of the pupils came from the parish, we felt that we could only offer £150.00 as approximately a quarter of the cost. It was agreed that the Clerk should contact the PTA to see if they could make up the difference.

**114/18 World War I centenary**

It was agreed that the Clerk should contact other organisations to spread the word about both participation and support. Suggestions included the School, the Church, the Methodist Church, the Cricket Club, Wight Salads, Leslie's Motors and Arreton Barns.

**115/18 To note the date of the next meeting, 9<sup>th</sup> July 2018**

The Clerk reminded everyone that this meeting will be preceded by the annual inspection of the burial grounds, commencing at 6pm at Gore Cemetery.

**116/18 Any other matters raised by Councillors for discussion only**

banner to every town and parish council who wish to join in the parade in Cowes on the day (September 22<sup>nd</sup>).

There being nothing else raised, the meeting concluded 8.31pm
